

## Therma-Tru expands Shaker-style entry door options

[MAUMEE, OHIO, Jan. 21, 2022–] New for 2022, Therma-Tru is adding expanded options to its offering of Shaker-style Fiber-Classic Mahogany and Smooth-Star doors.

Saratoga flush-glazed glass is now available for Fiber-Classic Mahogany Collection and Smooth-Star doors and sidelites, enabling homeowners to elevate the entry with handcrafted appeal. Saratoga glass offers modest privacy with a geometric pattern that bridges both modern and traditional designs.

“Shaker-style elements remain popular among homeowners,” said Mark Ayers, senior vice president of marketing and product development for Therma-Tru. “The addition of even more on-trend options to our Fiber-Classic and Smooth-Star offering is sure to appeal to homeowners.”

Therma-Tru has also added expanded size options for Smooth-Star doors, including 7'0" Shaker-style flush-glazed Craftsman doors and full-lite sidelites, to complement a wider range of homes.

Fiber-Classic and Smooth-Star doors set the standard for beauty, quality and performance at an excellent value, and are designed for long-lasting energy efficiency, durability and security.
