

## Relaxed style for simple living.

Giving a nod to the craftsmanship that inspired them, the Smooth-Star® Shaker-style door offering expands to include new styles for a fresh look with a simple, casual design.

Discover new opaque doors, as well as options for adding personal style with glass options in a Craftsman-lite Shaker door with the flat profile lite frame. These Shaker-style doors feature recessed panels to capitalize on the growing trend toward aesthetically clean and simplistic transitional design carried throughout the home from exterior to interior.

## Smooth-Star® Shaker-Style Doors & Sidelites

Discover Shaker-style doors and sidelites to fit your customers' needs for style, privacy, security and more.

Continue the Shaker-style look around the home with 6'8" and 8'0" options for front, side and back doors, as well as house-to-garage doors.

\*Must be installed as part of a Therma-Tru door system in compliance with an Impact-rated Therma-Tru product approval.  
Note: See your Therma-Tru seller or visit [www.thermatru.com](http://www.thermatru.com) for details on available product sizes and options, limited warranties and exclusions, Rider and ENERGY STAR qualified products.
